

RESPIRE

Short term assistance for caretakers

Opportunities and Activities

- Programs are designed to help build confidence by encouraging social connections with peers
- Day program has over 40 unique course offerings to choose from including: kayaking, independent art, basketball, archery, woodshop, zumba and more!

Who Can Attend

- Individuals are 18+ years old and have a wide range of cognitive disabilities
- Individuals should enjoy group activities and the beauty of a true Texas ranch
- A tour and trial visit are set up to determine needs and better understand level of support

Payment Options

- Private Pay at the daily rate is \$151 per day, which includes meals, day programming and/or weekend activities
- Contracted rates through Texas IDD waivers including Home and Community Based Services (HCS), Texas Home Living (TxHmL), Community Living Assistance and Support Services (CLASS) and other programs that offer respite in their service array. The contracted rates through waivers range from \$106-\$116 per day. Day Program is billed as a separate service at \$25-\$35 per day
- Contract General Revenue (GR) rates from the Local Intellectual Development Disability Authorities (LIDDA)
- HCS Host Home Companion Care daily rate is accepted based on level of need

What is Respite at Down Home Ranch?

Take a break and have your loved one visit a real Texas Ranch for a few days! Respite can be from 2 to 14 days in length; options are based on availability. The service can be provided in either a group home setting with trained live-in staff or in a small independent living setting in the Down Home Ranch Village with staff just a phone call away!

Ready to sign up your loved one?
Visit www.downhomeranch.org/respite to find out how to apply!
